

INSTALLATION WARRANTY CERTIFICATE

Warranty Coverage: This Warranty is provided explicitly to the owner of the residence or business at the time of installation and does not convey to any other individual or business. This Warranty expressly covers the installation of new materials only, and guarantees the materials and workmanship to be free from defect at the time of installation. Should damage arise only as a direct result of improper installation, by any member or equipment of Duncan Custom Gutter & Copper Craft Inc., we reserve the right to repair or replace at our discretion the section/s affected at no cost to the warranty holder.

Warranty Coverage Time: This Warranty shall last 5 years from the date of installation and shall not be prolonged for any reason. Repair or replacement of any section/s shall not extend the warranty period.

Not Covered: This Warranty does not cover any damage as a direct result of an act of nature, such as: missing, cracked, or bent parts, scratches, or leaks. Coverage will be void if the warranty holder fails to maintain the gutter system by cleaning out debris, trimming away overhanging brush, and keeping away lawn equipment; Discoloration or fading due to normal weathering; leaking miters due to over exposure to weather elements; staining; damage from exposure to cleaning chemicals; vandalism; other contractor damages; existing homeowner materials used to reduce cost; alterations not completed by Duncan Custom Gutter & Copper Craft Inc.

Acceptance: The terms of this Warranty are accepted upon the commitment for Duncan Custom Gutter & Copper Craft Inc. to complete the intended work.
